

SPICE & CUSTOM BLENDING

- Multigenerational relationships with only SQF and BRC certified facilities at origin.
- Old Mansion maintains strict quality standards with certified SQF team and dedicated quality assurance personnel.
- All spices are freshly ground, sterilized and are Kosher and Halal certified.
- Specialty requirements from origin easily met.
- State-of-the-Art processing and warehouse facilities with third party audit credentials.
- Trained food scientists available for development and consultation.
- Proprietary protection guaranteed.
- The most reasonable start-up minimums in the industry.
- Diverse retail packaging capabilities, bag in box, incremental form filled, bulk.
- Vast library of existing formulations available for reference or implementation.
- Quick turn on projects with guaranteed satisfaction.
- Ideal for small and midsized multi-unit operations to establish identity, promote residual revenue and protect proprietary properties.
