

Introducing Three New Southern Classics from Old Mansion Foods!

Nothing says "Southern Cooking" like the crispy goodness of breaded chicken, pork, seafood and fresh vegetables.

Old Mansion now offers their authentic southern-style breaders in three distinctive

packages that can be stocked together in your Flour and Mixes section, or separately in Meat, Poultry, Seafood and Produce.

Either way, they're sure to grab the interest of even your most hurried shopper.

Contact Old Mansion Foods or your local distributor for pricing, shipping and promotional information.
